IS ONE OF THE
ONLY BRANDS WITH
A CLEARLY DEFINED
TARGET AUDIENCE

MARKET

STRATEGY

It is recognized that wine is trending downward with Gen Z, Millennials and Gen X, which should concern all Suppliers, Retailers and Distributors. The decline is directly attributed to an outdated marketing approach that doesn't align with this new wine consumer, instead focusing on traditional elements like: estate, terroir, climate, points and ratings.

This is where Tattoo Girl Wine breaks the mold by approaching our market with a mindset of

how can we solve this problem?

while speaking directly to this new wine consumer in a unique way.

Purpose-Driven Marketing

Younger wine consumers respond to purpose-driven marketing that aligns with:

- Self-Reliance/Practicality/Informality
- Work/Life Balance
- Social Media and Technology
- Eco-Friendly/Sustainability

Sustainable Farming Practices

The partner vineyards where Tattoo Girl sources wine from, Ancient Lakes Wine Co., Wahluke Slope Wine Co., and the Evergreen Vineyard, use sustainable practices in their farming.

98% Women-Owned

Regional Brand Success

Tattoo Girl Wine grew despite a 4% industry decline in 2024—now sold through 53 U.S. distributors and in 8 countries.

Tattoo Girl Wine successfully sells in Chevron, Hy-Vee, Schnucks, Albertsons/Safeway, HEB, along with many other supermarket stores.

In our strongest chains, Tattoo Girl averages .74 cases per month, and that velocity consistently drives retailers to expand from one varietal to two or even three within the same year.

I would guess that there isn't anything hotter in the aisle with the buying team right now."

TASTING NOTES

○ Cabernet Sauvignon

Our best-selling wine, deep purple and red color with savory red and black fruit notes.

○ Rosé

Aromas of rose petals and watermelon Life Savers are noteworthy. A lively pink wine that speaks to lanolin, cranberry, and lychee, which perpetuate its awesome aromatics. Fine acidity and a mineral core maintain a freshness throughout.

○ Riesling

Delicate, with fragrances of white flowers and pears. On the palate, melon, pineapple, and honeyed apples spread generously. Salty minerality is aligned with lemon drops and a finish of linen.

○ Red Wine

Backbone of spectacular Columbia Valley Syrah with Cab Sauv and Merlot playing supporting roles.

○ Chardonnay

Crisp, Modern Style with limited oak influence. Wine Enthusiast Top 100 Best Buy in 2021.

○ Sauvignon Blanc

Aromas of pure citrus and herb. A pale color with a slight green tinge, Refreshing and clean with a zesty vibrant note.

○ Pinot Noir

Medium bodied, soft with very low tannin levels. Lifted aromatics, red fruit, pure, fresh, and bright character.

○ Bubbly Wine

Pale in color with a fine, steady bead of bubbles, fresh, bright citrus and green apple aroma, medium body, with plenty of acidity to keep it lively on the palate, along with just a slight touch of sweetness on the finish.
